

# CHRIST OUR SAVIOR AND SIN BEARER

## *Conversation Starters — Sunday, March 29th*

Here are a couple of conversation starters for your family over lunch this Sunday.

- Have a couple of family members share their stories of how they came to trust Jesus as their Sacrifice and sin-bearer.
- Listen to Leviticus 16 using our church's free subscription to the Dwell App (it'll take less than 10 minutes - or you can read it aloud together). Just pick your voice and background music and go to the library and select Leviticus 16 to listen to together. Then share the most awesome thing you heard in this chapter that pointed you to Christ.
