**Dsus**                      **Asus7**                      **Em7**                      **Gmaj7/B**  
But God so loved the world, not that we loved Him but that he loved us  
**Dsus**                      **Asus7**                      **Em7**                      **Gmaj7/B**  
That He sent his son to be the propitiation for our sins

God so loved the world

But God's made it possible, what was impossible

**Am7** **G/B**  
 And the dead they are waking! The dead they are waking!  
**C9** **D**  
 The dead they are waking! The dead they are waking!

 And the dead they are waking! The dead they are waking!  
**C9** **D**
