Love is Dying [A, 146 bpm, 3/4]

[Swing Piano Arr.] by David McWhite, Daniel Creswell

INTRO: Piano

||: A |Amaj7 |Dmaj7 |Dm :||

VERSE 1:

What is a vow these days? It's nothing but words to be given and taken right back
We're wed at an altar, but there's no sacrifice just players performing an act

PRE-CHORUS 1: VOCAL add Tenor

So we leave and cleave and leave again And tear the flesh in two
As if covenants with God and man Are things we can undo

CHORUS: VOCALS: Just Lead

What if Christ suddenly said, "I've had enough; this is the end
I take back my love

For being unfair, for running around Betraying my trust, and letting me down"

VOCALS: add Tenor

But Christ didn't lay a cross on his back To show us a love with strings attached
pickup

If love's understood by looking to Christ

Drums/Bass/Acoustic (groove)

Then love is a sacrifice

VERSE 2: Break

Wives have you given up Submitting yourselves

Like the church submits to Christ?

Men have you no desire to lay down your lives Just as Christ did for his bride?

PRE-CHORUS 2: Groove/Bass/Rhodes VOCALS: Add Tenor

We're so comfortable with "comfort first" We barely bat an eye
When the selfishness within the church Looks just like that outside

Love is Dying -

CHORUS Electric Downstrums

What if Christ suddenly said, "I've had enough; this is the end"
I take back my love
For being unfair, for running around Betraying my trust, and letting me down"
But Christ didn't lay a cross on his back To show us a love with strings attached
If love's understood by looking to Christ
Build into Bridge
Then love is a sacrifice

BRIDGE: VOCALS: Just Lead

Marriage is meant to display the love we've been shown
By Christ who would die to make us his own
Denying himself, he put his love first To make us holy, blameless, and pure
VOCALS: add Tenor
If Christ would die for his unfaithful bride
And no matter what, he'd stay by her side
If true love is marked by laying down your life for someone else
VOCALS: Just Lead Break
Then how can we leave our love just to please ourselves?

INSTR: Groove/Electric 1 (Lead)
