

NWC Questions

for Personal Study and Small Groups - Feb. 21, 2016

Read the following passages. Then discuss what we see about God's "heart" from these passages.

- Titus 2:11-14
- I Tim 2:1-10
- Revelation 5:9-10
- Mark 10:42-45

Then have a discussion about what would lead to you "stay" using the questions below. If you sense people in your group are being directed to go, encourage them and get them connected to Rob Craig or Noah Joyner to discuss that further.

1. What about the kids?
2. What about the money?
3. What about my extended family?
4. What about suffering?

Then talk about what it looks like to stay while fully engaging in God's global mission. End by praying that God would raise up workers for the harvest over here and over there.
